RCI BANQUE ISSUES € 600 MILLION OF 4 YEARS BONDS

RCI Banque issued today a 4 years bond with a 5.625% coupon. This first benchmark bond issue since the crisis acceleration in August, launched in a difficult market demonstrates, once again, after a CHF deal and a tap of the 07/14 bond done over the last three weeks, the investor confidence in RCI Banque's name as well as the issuer ability to access liquidity in volatile markets.
