In particular, no action has been taken by the Issuer or the Dealers which would permit a public offering of the Notes outside the European Economic Area or distribution of this document in any jurisdiction where action for that purpose is required. Accordingly, the Notes may not be offered or sold, directly or indirectly, and neither the Base Prospectus, this Supplement nor any advertisement or other offering material may be distributed or published in any jurisdiction, except under circumstances that will result in compliance with any applicable laws and regulations, and the Dealers have represented that all offers and sales by them will be made on the same terms.
