RCI BANQUE ISSUES A € 500 MILLION FRN MATURING IN 2019

RCI Banque announces the issuance of a 3 year bond with a coupon of Euribor 3 months +100bp.

This first euro public issuance in 2016 attracted an order book over €1.1 billion from more than 140 subscribers.

The investor interest in this deal printed in a volatile period demonstrates, once again, the market confidence in the financial strength of RCI Banque.
